OUR INSPIRATOR

LATE ABDUS SATTAR
[10 Jan 1899- 18 Nov. 1990]

Late Abdus Sattar (Jan 1899- Nov. 1990) was a man of striking personality. "He believed in the service to the needy every moment and at beck and call he was ready to enhance his all possible help to the poor and helpless. Very early in his life he decided to play the role of social reformer-cum-freedom rebel. The greatest boon he desired and deserved everyone should have a place and that honour in the society. From this point of view he managed and insisted to establish institution for the spread of education among the pupil and for progress of the people of down trodden class too.

He passed away on Nov. 1990 at the age of 91, mourned by a very large circle of relations, friends and admirers. With him passed away an epochal figure.

Hon'ble DR. Md. Ahsan
[20-04-1942 to 24-03-2017]

Since long to establish a Teachers' Training (B.Ed.) College was the dream project of **Dr. Md. Ahsan**, the founder of Islamia Teachers' Training (B.Ed.) College situated at Phulwari Sharif. He believed in dictates of inner advice & translated the thought into action. Perhaps this spiritual voice caused him to kindle the slowly lost spark of Teacher Education. His long cherished wish was to engrave his thought view on the tablets of his heart. The meaning of luck in his dictionary was nothing more than the marriage preparation with opportunity. Lastly he fanned the tiny sparks of possibility into the flames of achievements. The temple of Teacher Education established by him abandoned by the teacher occupants who have entered into the region of research, meditation and penance with the disciples have gone forth into the different places of pastures new. This T.T. college established by Late Dr. Md. Ahsan has produced up till now many potent teachers & at the same time gallant young learners. Thus he enjoyed a fair share in public work. He was a religious person and believed to help the people without having any discrimination among caste, creed and religion. He believed that all the people were sent by almighty GOD and it was his duty to serve them. Thus he chose the teaching way to serve the humanity and make the nation strong. GOD may grant his soul in peace

Lastly, I must not forget to enhance my thanks to my colleagues who have rendered their valuable services from the very day of its inception.

I convey my good wishes for the all-round development & prosperity of this college.

Message from the Chairman

*"To breed excellence
in everything
we do and
everything
we are."*

It is a great privilege for me that I am attached with Islamia T.T (B.Ed.) College, Phulwari Sharif, Patna since the date of its coming in being. By now, this pioneer Institution is Completing its 34th Year of its establishment.

I am of the view that education should not be treated under age though, today it is being treated underweight. In this regard the main intention of this college is to treat education the most effective means to give a shape to individual personality for future which will be helpful in course of uplifting the people individually and socially. I ascertain that the institution, a mile stone in the field of teacher education will leave an indelible foot print for the succeeding generation. This will decidedly serve the society in accordance with his/her need and fulfillment. In the system of principles of education the crucial role of the teacher is not to be ignored in any state of affairs. Truly speaking I feel a sense of great excitement in watching the honest and sincere endeavor rendered by extremely well qualified teachers of this training college.

Lastly, I must not forget to enhance my thanks to my colleagues who have rendered their valuable services from the very day of its inception.

I convey my good wishes for the all-round development & prosperity of this college.

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

محمد ﷺ و نصلی علی رسول الکریم۔ اہلحد

تغییر انسانیت رحمت دو عالم سیدنا محمد رسول اللہ صلی اللہ علیہ وسلم نے ایک موقع پر دنیا نے انسانیت کو خطاب کرتے ہوئے فرمایا تھا۔ انما بعثت معلما۔ کہ میں معلم (پڑھانے والا) بنا کر بھیجا گیا ہوں۔

شکر ہے رب العالمین کا کہ دنیا کے اکثر ذی شعور اور سمجھ دار انسانوں نے اپنے تغیر کی بات پر لبیک کہا اور اپنی بساط گھرو دنیا سے اور انسانوں کی چلتی پھرتی آبادی سے جہالت کو ختم کرنے کیلئے علوم و فنون کی شمع روشن کیا۔ فنون انسانی کی تعلیم و تربیت کیلئے اسکول و کالج اور مدارس و مکاتب قائم کئے۔

انہی خوش نصیب بندوں میں یتاب الحان ڈاکٹر محمد احسن صاحب مرحوم بھی تھے۔ جنہوں نے آج سے نصف صدی پہلے چھاپاس روپے میں زمین کا ایک گلا اثر یہ کرا اسلامیہ اسکول قائم کیا اور آج ان کے جدِ یتیم اور خلاص کی برکت سے وہ اسلامیہ اسکول۔ اسکول سے آگے بڑھ کر کالجوں کی سرحد کو پار کرتا ہوا یونیورسٹی کی شکل میں (ان شاء اللہ) آنے کو تیار ہے۔

ڈاکٹر محمد احسن مرحوم کو جو کرنا تھا وہ کر کے اللہ پاک کے یہاں سرخرو ہو رہے ہوں گے۔ اللہ انہیں جنت الفردوس عطا فرمائے۔ اب ملت اسلامیہ کے ہم تمام افرادی ذمہ داری ہے کہ اسلامیہ گروپ آف انسٹی ٹیوشن جیسے انقلابی تعلیمی ادارے کو باہمی تعاون کے ذریعہ اس قدر قوت و توانائی فراہم کریں کہ یونیورسٹی بننے کے ہدف کو یہ تکمیل تک پہنچایا جاسکے۔
